MESSAGE FROM OUR BISHOP

Dear Parishioners and Friends of Our Lady of Lebanon,

With gratitude to the Lord, we present to you the Annual Report of Our Lady of Lebanon Parish for 2025-2026.

What makes a parish special is not found only in its big projects, achievements or moments of celebration. Rather, it is found in the quiet acts that turn a church into a family and a spiritual home for all its people.

It is found in the child who pauses to pray before the Blessed Sacrament, the families gathered around the altar each Sunday, the volunteers who generously give their time, and the ladies baking bread on the saj for parish events. These simple acts are the heartbeat of parish life.

For almost fifty years, you, the parishioners of Our Lady of Lebanon, have been writing the story of this parish and passing it on from one generation to the next. Through your commitment, you have built a strong community centred on Christ, our Maronite heritage, and a love for Our Lady.

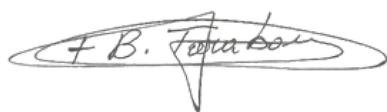

As we reflect on the past year, we give thanks for the many blessings the Lord has bestowed upon this parish through our liturgical celebrations, sacramental life, faith formation programs, committee initiatives, charitable outreach, social gatherings and community events. These activities bring us together and unite us as one parish family.

In 2028, we will celebrate the 50th anniversary of the opening of Our Lady of Lebanon Church. This approaching Jubilee invites to honour those who came before us, and to consider the legacy we will leave for those who follow. Through the parish master plan and the significant projects planned, we are investing in the future of this parish. We are looking forward to commencing Stage 1 soon, which includes the construction of additional parking facilities for Our Lady of Lebanon. These projects are not about buildings; they are about ensuring that future generations will continue to find at Our Lady of Lebanon a spiritual home for them.

I extend my sincere gratitude to Fr Danny Nouh, for his leadership and his tireless service. I thank all the clergy, staff, parish council, committees, volunteers, benefactors and all parishioners who enrich the life of this parish through their dedication and generosity. Your contribution, whether seen or unseen, continues to strengthen our community.

As you read this annual report, I hope you take pride in all that has been achieved together and be filled with hope for the future. Let us continue to build upon the foundations laid by those who came before us, always trusting in the guidance and intercession of Our Lady of Lebanon.

May the Lord bless you and your families, and may Our Lady of Lebanon continue to watch over and protect our parish.

A handwritten signature in black ink, appearing to read 'F.B. Tarabay', enclosed within a large, loopy oval flourish.

+ Antoine-Charbel Tarabay
Maronite Bishop of Australia, New Zealand and Oceania

MESSAGE FROM OUR DEAN

Dearest Parish family and friends,

As we present the 2025–2026 Annual Report of Our Lady of Lebanon Co-Cathedral, I do so with a heart full of gratitude to God and deep appreciation for each one of you who continues to make this parish a living expression of faith, hope and love.

Last year, the Universal Church invited us to journey as Pilgrims of Hope during the Holy Year proclaimed by Pope Francis. Throughout that year, we witnessed hope alive in our parish community. We saw it in the thousands who gathered faithfully for the Divine Mysteries, in the children and young people growing in faith, in the families who turned to the Church in moments of joy and sorrow, and in the countless volunteers whose generosity sustains the life of this parish each day.

Hope is never merely an idea. It is lived. It is found in the simple yet powerful moments that shape parish life: a prayer offered before the Blessed Sacrament, a family gathered around the altar, a young person discovering their vocation, a volunteer serving behind the scenes, or a parishioner extending a hand of support to someone in need. These moments, as Bishop Tarabay beautifully reminds us, are the heartbeat of our parish family.

As we journey through the first half of 2026, the Year of Prayer for Peace in the Maronite Eparchy of Australia, New Zealand and Oceania, we recognise how deeply our world longs for the peace that only Christ can give. Amid uncertainty, conflict and division, we are called to become people of prayer, reconciliation and hope. Peace begins in the heart, is nurtured within the family, strengthened within the parish, and radiates outward into society.

Our Lady of Lebanon Co-Cathedral has always been more than a church building. It is a spiritual home. For over five decades, generations of Maronites have found here a place of belonging, a place where faith is nurtured, traditions are preserved, and lives are transformed through an encounter with Christ. From this hill in Harris Park, countless vocations, ministries, families and communities have flourished, helping shape the story of the Maronite Church throughout Australia.

Today, as the Mother Church of our Eparchy and the largest Maronite parish in the Southern Hemisphere, we remain committed to serving every stage of life. Through our liturgies, sacraments, ministries, pastoral programs, charitable outreach and community initiatives, we strive to ensure that everyone who enters our parish encounters the love and mercy of God.

This year has also been one of significant progress as we continue preparing for the future. As we approach the 50th anniversary of the opening of Our Lady of Lebanon Church in 2028, we are increasingly conscious that we are not simply preserving a legacy. We are entrusted with building upon it.

The advancement of our Parish Masterplan represents an important step in that mission. These projects are not ultimately about buildings, parking spaces or infrastructure. They are about creating opportunities for future generations to encounter Christ, to deepen their faith, and to discover in this parish the same spiritual home that so many of us have cherished throughout our lives.

The generation before us sacrificed greatly to establish this parish. Today, we are called to demonstrate that same vision and generosity for those who will come after us. We are not owners of this legacy. We are its custodians.

I wish to express my sincere gratitude to His Excellency Bishop Antoine-Charbel Tarabay for his fatherly leadership, guidance and unwavering support. His vision for our Eparchy continues to inspire us to dream boldly while remaining firmly grounded in our mission of evangelisation and service.

I also extend my heartfelt thanks to my brother priests, our deacon and subdeacons, the Maronite Sisters of the Holy Family, our parish and Eparchy staff, the Parish Pastoral Council, Stewardship Committee, ministry leaders, volunteers, benefactors and every parishioner who contributes to the life of this community. Whether your contribution is visible or known only to God, it is deeply valued and appreciated. Most importantly, I thank you, our parish family. Every prayer offered, every hour volunteered, every act of generosity and every sacrifice made contributes to the flourishing of this parish and its mission.

As you read through this Annual Report, I invite you to give thanks for all that God has accomplished among us and to look towards the future with confidence. The Year of Hope has reminded us that God remains faithful. The Year of Prayer for Peace now calls us to place our trust even more deeply in Him. May we continue to walk together as one family, united in faith, strengthened by hope, and committed to being instruments of Christ's peace.

May Our Lady of Lebanon continue to watch over our parish, protect our families, and guide us as we build a vibrant future for generations to come.

With my prayers and affection,

Fr Danny Nough
Dean, Our Lady of Lebanon Co-Cathedral

ABOUT US

Our Lady of Lebanon Co-Cathedral is the spiritual and cultural heart of the Maronite Catholic community in Sydney and across Australia. Established in 1968, the parish began with a bold vision: to build a church, school, hall, and presbytery for the growing Maronite migrant community. What started on a hilltop in Harris Park has since become the largest Maronite Catholic parish in the Southern Hemisphere, now serving over 40,000 parishioners.

From the moment construction began in 1970, the Church has inspired generations of faithful Maronites. It was officially opened and blessed in 1978, with its striking architectural design symbolising both the strength and spirit of the community. The adjoining Community, Youth and Pastoral Centre, opened in 2012, continues this mission of catering to the spiritual, educational, and social needs of all ages.

In recognition of its importance, the Vatican elevated Our Lady of Lebanon to the status of Co-Cathedral in 2014. It now stands as one of two cathedrals serving the Maronite Eparchy of Australia, reflecting both the size and significance of the parish within the broader Church.

The Co-Cathedral celebrates over 24 Masses each week, attracting around 10,000 attendees. It is also a centre for baptisms, weddings, funerals, and all the major sacraments and feasts of the Maronite calendar. The parish is committed to faith formation, language preservation, and community outreach.

A true hub of daily activity, the Co-Cathedral precinct includes a café, gift shop, childcare centre, residential aged care facility, and is adjacent to the Maronite College of the Holy Family, an independent co-educational school offering K–12 education.

Today, the parish is supported by nearly 30 active committees and ministry groups, rooted in faith and driven by service. Our Lady of Lebanon Co-Cathedral continues to grow as a living testament to the enduring spirit of the Maronite Church in Australia. It is a place of prayer, belonging, tradition, and hope for future generations.

YEAR OF PRAYER FOR PEACE

2026

Throughout 2026, Our Lady of Lebanon Co-Cathedral joined the Maronite Eparchy of Australia, New Zealand and Oceania in observing the Year of Prayer for Peace, a year-long initiative inviting every parish, family and individual to pray for peace in our world.

The Year of Prayer for Peace was inspired by the Apostolic Visit of His Holiness Pope Leo XIV to Lebanon in late 2025. At the closing of his visit, the Holy Father called upon the people of Lebanon and the wider world to renew their commitment to peace, reminding us: “Let us all choose peace as a way, not just as a goal!”

Under the theme “Together in Prayer, we walk as one Church seeking the Peace of Christ,” our parish community was encouraged to deepen its relationship with God while praying for peace within our hearts, our homes, our Church and throughout the world.

The Year of Prayer for Peace commenced on the Feast of Saint Maroun in February with the celebration of the Solemn Divine Liturgy, the lighting and distribution of the Candles of Peace across all parishes.

Throughout the year, the monthly reflections focused on practical aspects of Christian life. Parishioners were encouraged to strengthen family life, support the elderly, isolated and vulnerable, encourage young people in their faith, and witness to peace within the wider community. Peace is lived through our daily relationships, service to others and faithfulness to the Gospel.

At Our Lady of Lebanon, during the month of May, we entrusted our families, our parish, Lebanon, the Holy Land and the world to Mary’s intercession through the Rosary and the daily Marian visits to the homes.

The Year of Prayer for Peace provided opportunities for our parish to pray together and reflect on Christ’s call to be peacemakers. Let us heed Pope Leo XIV’s call to “choose peace as a way, not just as a goal!” We continue to pray that Christ’s peace may grow in our hearts, our families, our parish and throughout the world.

A photograph showing a man with a beard and glasses, wearing a white clerical shirt, looking down. A hand with a ring is touching his forehead, likely a priest performing a blessing. The background shows other people in white robes with gold embroidery.

VOCATIONS

Our Lady of Lebanon has continued to be a wellspring of vocations for the Maronite Eparchy of Australia, New Zealand and Oceania. This is a source of great gratitude and encouragement for our parish community, reminding us that the Lord continues to call men and women to serve him generously, whether it be in marriage, religious life, or in Holy Orders.

In January 2026, Laurence Boudib, the son of long-term parishioners, entered the propaedeutic stage of seminary formation at the Seminary of the Good Shepherd in Homebush. His entry into formation has been warmly received by the parish, and we continue to pray that this period of discernment, prayer and formation may deepen his relationship with Christ and confirm the path to which the Lord is calling him. We also continue to pray for all our seminarians who are completing their formation in the seminary.

We also celebrated two significant ordinations for Dominic Altakchy: his ordination to the Subdiaconate on the Feast of the Nativity of Our Lady, 8 September 2025, and his ordination to the Diaconate on the Feast of the Entrance of Our Lord into the Temple, 2 February 2026. These ordinations marked the fruit of ten years of preparation and discernment, and the beginning of Dominic's more direct service to the Church in sacred ministry. They were also a visible sign of God's faithfulness to his Church and his continuing call to service.

Several other men in our parish are also seriously discerning their vocation to the priesthood. Their discernment is supported by the prayers, encouragement and example of their families, friends, clergy and wider parish community. We recognise that a vocation is not discerned in isolation, but grows within a community that values prayer, service, sacrifice and a generous response to God's call.

May Our Lady of Lebanon continue to intercede for those discerning their path in life. We pray to the Lord of the harvest that He may send more holy, faithful and courageous labourers into His harvest.

EXTRAORDINARY MINISTERS OF HOLY COMMUNION

Several young men discerning vocations to the priesthood have, for a few years already, been appointed by His Excellency, Bishop Antoine Charbel Tarabay, as Extraordinary Ministers of Holy Communion. Following a period of formation and training, they have faithfully assisted the clergy in the reverent distribution of the Precious Body and Blood of Our Lord, particularly on Sundays, feast days and other major liturgical celebrations.

These men were carefully discerned by the clergy and Bishop Tarabay in response to a genuine pastoral need within our parish. Their service helps ensure that the celebration of the Divine Liturgy is carried out with timeliness, dignity, prayerfulness and proper care for the sacred mysteries entrusted to the Church.

In addition to assisting with the distribution of Holy Communion, the Extraordinary Ministers help prepare for the Divine Liturgy and the Sacraments. On weekends, they are often present to assist the priests with Baptisms, Weddings and other parish celebrations, offering liturgical support to clergy and parishioners at significant moments in our life of faith.

Their ministry is a quiet but important witness of generosity, reverence and readiness to serve. We continue to pray for these young men as they discern the Lord's call, and we take this opportunity to thank them for their faithful and unwavering service to Our Lady of Lebanon Co-Cathedral.

CELEBRATING THE SAINTS

Beatification of Patriarch Elias Peter Howayek

The Parish rejoices with the entire Maronite Church at the historic announcement that Pope Leo XIV has authorised the beatification of Patriarch Elias Peter Howayek, one of the most significant spiritual and national figures in the history of the Maronite Church and Lebanon.

Patriarch Howayek, Patriarch of Antioch of the Maronites from 1899 until his death in 1931, is remembered as a deeply faithful shepherd, a man of profound prayer and conviction, and a courageous leader who placed the spiritual and temporal wellbeing of his people at the heart of his ministry. His life was marked by an unwavering commitment to the preservation of the Maronite identity, the dignity of the Lebanese people and the values of faith, unity and service.

He played a pivotal role during a defining period in Lebanon's history and is widely remembered as one of the founding fathers of Greater Lebanon. His courageous advocacy for Lebanon reflected his conviction that its people deserved a homeland where diverse communities could live with dignity, freedom and mutual respect. His contribution to the history of Lebanon remains deeply woven into the identity and memory of the Maronite people.

A significant expression of this vision was his collaboration with Mother Rosalie Nasr in founding the Congregation of the Maronite Sisters of the Holy Family. Through prayer, education, pastoral ministry and service, the Sisters have continued their mission across generations and communities. Our Parish has been especially blessed by the faithful presence and ministry of the Maronite Sisters of the Holy Family at Maronite College of the Holy Family for fifty years. Their dedication has touched generations of students and families, providing formation in faith and education while offering a powerful witness of prayer, service and commitment. Their presence among us is a living testament to the enduring legacy of Patriarch Howayek. Through their faithful service, the vision of their founders continues to flourish in Australia.

PILGRIMAGES

MYO Pilgrimage for Pope's Visit to Lebanon – November 2025 A Journey of Hope, Heritage and Faith

Last year, a group of young people from our community travelled to Lebanon for a ten-day pilgrimage during the historic visit of Pope Leo. The pilgrimage was an opportunity to hear the Holy Father's message of hope, to reconnect with the spiritual homeland of the Maronite Church, and to return to Australia renewed in faith and mission. Pope Leo's words were received as a powerful reminder that Christian hope is not merely optimism, but is founded in Jesus Christ Himself. His message strengthened the pilgrims' desire to bring encouragement, courage and a deeper love for the Church back to their parishes, families and youth communities in Australia.

Throughout the pilgrimage, the group visited many of Lebanon's sacred places, including Harissa, the Qadisha Valley, Bsharri and local monasteries, churches and convents. These places offered opportunities for prayer, reflection and a renewed appreciation of the Maronite spiritual tradition. The ancient monasteries, the Cedars of God and the enduring witness of the saints revealed a faith that has persevered through hardship across the centuries.

The pilgrims were especially moved by the faith of the Lebanese people. Daily Mass, homes adorned with icons and statues, and the visible zeal of young people for Christ and the Church offered a striking witness. In a country marked by many challenges, the resilience, generosity and joy of the people revealed a faith deeply rooted in Christ. The journey was also marked by moments of friendship and service. Encounters with children in Hadchit, visits with the elderly at the Fatqa convent, and the shared experiences of travel helped form new bonds among the pilgrims. There were moments of laughter, prayer, emotion and gratitude that will remain in their hearts.

The pilgrimage was far more than a trip overseas. It was a shared mission: to return home with renewed hearts, a clearer sense of purpose, and a desire to help young people rediscover the beauty, seriousness and hope of our Maronite faith.

St Rita and Our Lady of Mercy Pilgrimage: A Journey of Faith, Prayer and Peace

In April 2026, a group of parishioners journeyed from Australia to Europe on a pilgrimage led by Fr Danny Nouh and Fr John Paul Basil. Travelling through Italy, Portugal and Spain, the pilgrims encountered places of profound spiritual significance, deepening their faith through prayer, friendship and the witness of the saints.

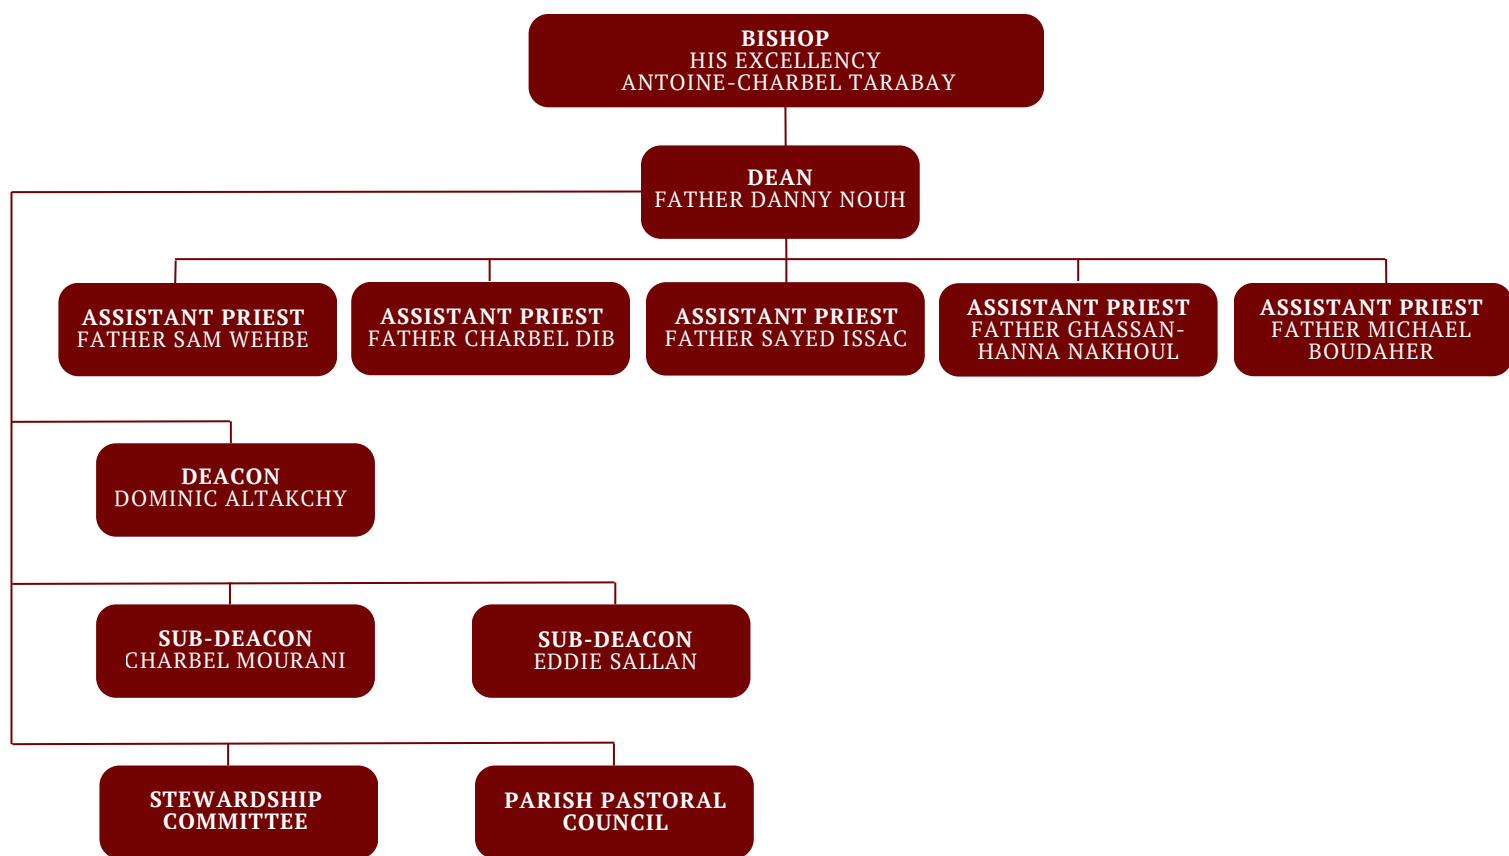

The pilgrimage began in Rome, where visits to St Peter's Basilica and the Scala Sancta invited pilgrims to reflect on the continuity of the Catholic faith and Christ's sacrifice for humanity. At Monte Cassino, the resting place of St Benedict, pilgrims experienced the peace of the abbey and were reminded to be still and attentive to God's voice. Assisi was a particularly meaningful stop during the Jubilee Year of St Francis of Assisi. Prayer at the tombs of St Francis, St Clare and St Carlo Acutis encouraged reflection on humility, holiness and faithful discipleship.

In Portugal, the group visited the birthplace of St Anthony of Padua in Lisbon before continuing to Fatima. The nightly candlelight Rosary processions, shared with pilgrims from around the world, offered a moving witness to the unity of the Church and the power of Marian devotion. The pilgrimage also included Santiago de Compostela, Ávila and Toledo, where the pilgrims encountered the rich spiritual heritage of Spain. However, one of the most memorable moments was the visit to Cascia and Roccaporena, the places closely associated with St Rita. The group prayed before St Rita's incorrupt body, offered roses at her tomb, and celebrated Mass in Roccaporena, where St Rita lived with her husband and family.

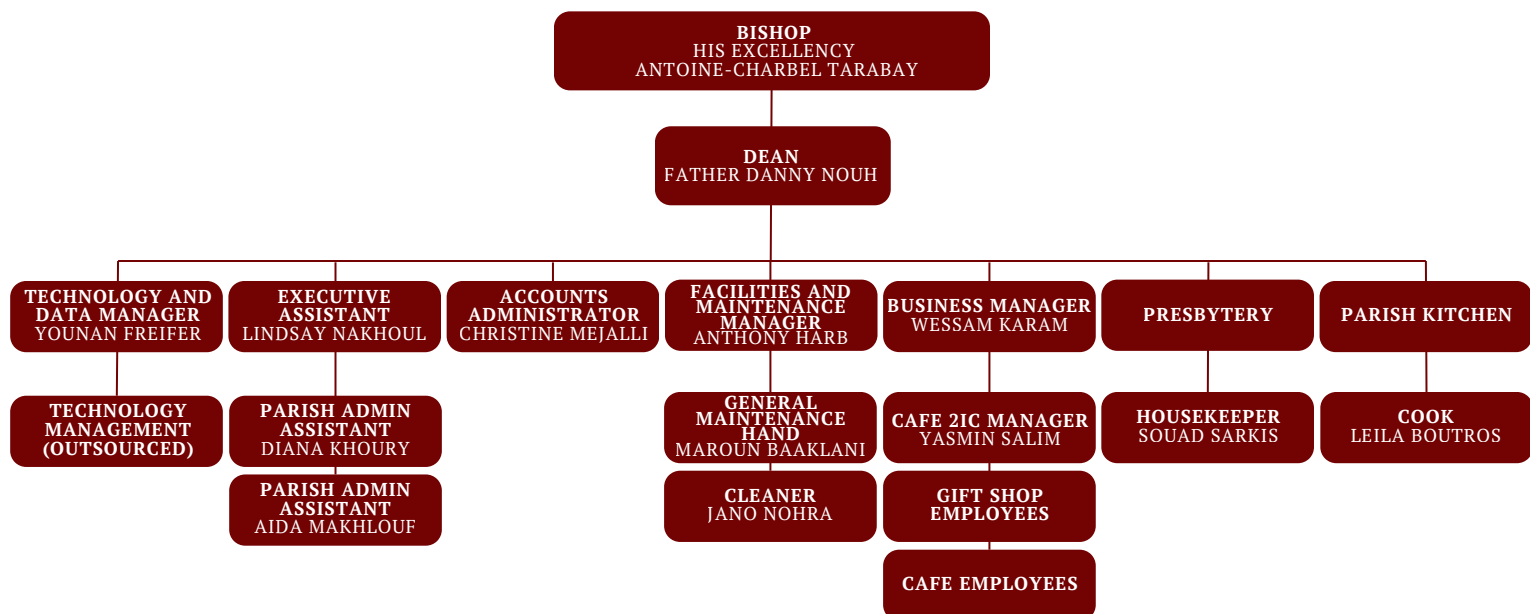

In his homily, Fr Danny reflected on St Rita's witness of love, forgiveness and peace amid suffering. He encouraged pilgrims to become "pilgrims of love and peace" and "a rose of love in this world." The pilgrimage left a lasting impression on all who participated, renewing faith and strengthening devotion to the saints. May St Rita and the saints continue to intercede for our parish and remind us that nothing is impossible to God.

PARISH PASTORAL COUNCIL

From a Year of Hope to a Year of Prayer for Peace

As we reflect on the past year, the Parish Pastoral Council is filled with immense gratitude for the way our parish family beautifully embraced the conclusion of the Jubilee Year of Hope and welcomed the dawn of our new Year of Prayer for Peace. This period was not just about looking forward; it was about actively bringing both hope and peace to life within the walls of Our Lady of Lebanon and beyond. Our mission has been to ensure that every initiative, event, and program we supported helped to build a stronger, more connected, and spiritually nourished community.

Walking closely alongside our dedicated clergy, the Council focused on elevating our community spirit. We wanted these guiding messages of hope and peace to be felt in everything we did. This meant supporting deeply enriching spiritual programs, while also creating joyous opportunities for our parishioners to simply be together.

A highlight of our work this year was the massive collaborative effort behind our major feast and parish events. From the beautifully catered morning teas to the vibrant Annual Parish BBQ and Teens Party under the stars, the energy was incredible. We also hosted our grand Feast Week Festival, and although it was disrupted by rain and the location had to be adjusted, the unwavering spirit of our community ensured it remained a resounding success. In May of 2026, we were equally thrilled to support a significant new milestone for our parish: the highly anticipated inaugural Feast of Our Lady of Lebanon, celebrated over the weekend of the 1st to the 3rd of May.

Our spiritual life was profoundly enriched by both cherished traditions and historic new beginnings. At Easter, we were proud to continue the deeply moving tradition of our Good Friday Easter play, bringing the Passion of Christ to life for our faithful. We also took our faith to the streets in a beautiful display of unity, collaborating with the Diocese of Parramatta to organise the inaugural Corpus Christi procession, walking together from Our Lady of Lebanon to St Patrick's Cathedral and through the heart of Parramatta.

Beyond our major events and feasts, this year saw the birth and growth of incredible new initiatives. The Council has been deeply committed to nurturing and supporting fledgling committees such as the Ladies of Our Lady, Road To Emmaus, Faith and Light, and Men's Ministry. A key strength of the Pastoral Council in supporting these emerging and established ministries is our collaborative makeup; by having a dedicated representative from every single parish committee on the Council, we ensure all our wonderful groups are pulling together in the same direction. The Council is so proud to guide and empower all our parish committees as they turn our shared vision into reality. We have made it a priority to listen to the voices of our community, ensuring our parish remains a supportive sanctuary for families, youth, and the elderly alike.

None of this would be possible without the heartbeat of our parish - you. To our extraordinary volunteers and faithful parishioners, thank you. Your generosity, time, and unwavering faith have carried us from a profound Year of Hope into a beautiful Year of Prayer for Peace, proving once again that Our Lady of Lebanon is a dynamic and deeply blessed spiritual home.

SAFEGUARDING

At Our Lady of Lebanon Co-Cathedral, safeguarding is more than a policy. It is an expression of our faith and our shared responsibility to care for every person who enters our parish community.

Guided by the leadership of the Maronite Eparchy of Australia, New Zealand and Oceania, our parish remains committed to creating an environment where children, teens, young adults and vulnerable people are welcomed, respected and protected. Through ongoing formation, education and practical safeguarding measures, we continue to strengthen a culture where safety, dignity and respect are embedded in every aspect of parish life.

Throughout the year, our clergy, staff and volunteers have continued to work alongside the Eparchy Safeguarding Office by participating in safeguarding training. We continue to maintain all staff and volunteer Working With Children Check requirements, complete risk assessments for parish activities and ensuring that appropriate safeguarding practices are in place across our ministries and events. These measures help ensure that our parish remains a safe and welcoming place for all.

Safeguarding is strengthened when everyone plays a part. Parish leaders, volunteers, parents and parishioners all contribute to nurturing a community where concerns can be raised, children, teens young adults and all vulnerable persons are encouraged to have a voice and every individual is treated with dignity and compassion.

This year also has seen the Our Lady of Lebanon Co-Cathedral proudly launch its own internal Safeguarding App. This provides the clergy, staff and volunteers with streamlined access to safeguarding policies, resources, forms and compliance requirements. This initiative reflects the parish's ongoing commitment to best practice and has established a strong benchmark; with other parishes looking to its approach as they continue to strengthen safeguarding within their own ministries and communities.

As we continue our mission together, we recognise that safeguarding is everyone's responsibility. Safeguarding remains at the heart of our parish life and our service to the community.

FAMILY OF THE DIVINE WORD

For the past seventeen years, the Family of the Divine Word (FDW) has been holding weekly bible discussions in Arabic every Tuesday evening. The 2026 theme of the FDW bible sessions program is inspired by our Eparchy's Year of Prayer for Peace and Pope Leo XIV's focus on peace, love for the poor, and unity in apostolic work. Since God is the source of peace, love and unity, the FDW chose this saying of St Paul, "... from him and through him and to him are all things..." (Rom 11:36), as the theme for its program.

The FDW experienced its own Pentecost this year with its first post-COVID elections. Most of the newly elected steering committee members are from the younger generation, with the youngest member in his twenties. We feel that the flame has been truly passed on to the next generation.

The FDW's annual retreat was a time of deep spiritual fulfilment. Led by our Chaplain Sr Rita Bou Raffoul, the members reflected on the topic of Divine Mercy and how it worked in the lives of Saints Paul and Thomas, each according to their spiritual and pastoral needs.

The participation in the parish's activities was another fulfilling experience, especially in the Souk Night, St Rita's Feast and the launch of Blessed Douaihy's book on the Trinity by our Eparchial Chaplain Fr Ghassan-Hanna Nakhoul.

SODALITY OF THE IMMACULATE CONCEPTION

In this Year of Prayer for Peace, the Sodality of the Immaculate Conception continued its strong commitment to prayer and spiritual formation. Daily prayers in Arabic and English were shared each morning through the WhatsApp platform, bringing members together in faith and reflection. Spiritual activities throughout the year included the monthly parish-based Mass in honour of Our Lady of Fatima, visits to churches throughout the Diocese, participation in Sodality Masses, retreats, and the renewal of vows. During the month of May, members carried out nightly home visits praying the Rosary with parish families, while street processions and feast week celebrations in May and August honoured Our Lady and strengthened parish devotion. Intergenerational faith activities also continued with the Fersan and Feast of Saint Barbara celebrations, and this year the teen leaders participated in the May Rosary home visits.

The Sodality remained actively involved in parish and community life through a variety of activities that strengthened fellowship and support within the parish. Bread baking, Mother's Day and Father's Day parish breakfasts, and the weekly Sunday morning parish coffee hour continued to bring parishioners together throughout the year. Two major fundraising events were successfully held, including a Hafli in February and a Harbour Cruise in December, with funds raised enabling the purchase of a new mini bus for Sodality and parish use. Lenten lunches were also very successful and well supported, reflecting the generosity of the parish community. Through these efforts, the Sodality was able to donate \$10,000 to the Bishop's Emergency Appeal for Lebanon, \$5,000 to support families in Remeich in South Lebanon, as well as provide assistance to an orphanage and Caritas in Lebanon.

This year also marked the appointment of a new Chaplain for the Sodality, Father Ghassan-Hanna Nakhoul. The Sodality warmly welcomes Father Ghassan and looks forward to working closely with him in continuing and strengthening the good works of the Sodality. At the same time, the Sodality extends sincere gratitude to the outgoing Chaplain, Father Youwakim Noujaim, for his nine years of dedicated service, leadership, and commitment to the Sodality and the wider parish community. The Sodality of the Immaculate Conception remains committed to strengthening faith, supporting the parish community, and serving those in need through prayer, fellowship and charitable outreach.

SENIORS COMMITTEE

This year, the Seniors Committee was able to organise several excursions for our elderly parishioners, including trips to St Rafka, St Charbel, St Joseph and St Nehmetallah Hardini. There were also outings for lunch and fellowship at Merrylands Bowling Club and Bankstown Sports Club.

Many of our Seniors attended these events and activities which were held in addition to our regular fortnightly gatherings. Around one hundred people of our elderly attend each of the fortnightly events. These gatherings begin with Mass followed by lunch and entertainment.

This year, the Senior Committee attended a retreat, in conjunction with Sodality. The retreat day was led by the Seniors' and Sodality's Chaplain Fr Ghassan-Hanna Nakhoul. It was a meaningful day of spiritual reflection on our mission under the theme of Martha, Mary and the Better Part.

We welcome more volunteers to join us if you feel called to support and serve our older generation.

MARIAN APOSTOLIC MOVEMENT (MAM)

“Led by Mary, Receiving the Word, Transformed in Christ”

The Marian Apostolic Movement (MAM) is a vibrant and growing movement of faith within the Maronite Catholic Church dedicated to forming disciples of Jesus Christ through the loving example and intercession of the Blessed Virgin Mary. Originally founded in Lebanon in 1973, the movement continues to embrace the rich spirituality of the Maronite Church while responding to the call of the Second Vatican Council to deepen the faith of the adult faithful and actively participate in the life and mission of the Church.

Over the past year, the movement has entered an exciting new chapter with a renewed vision centred on encountering Christ through His Word. Inspired by Mary's attentive heart, which unceasingly ponders the Word, members gather weekly to immerse themselves in Sacred Scripture through detailed Bible studies and the ancient practice of Lectio Divina, a prayerful and contemplative way of listening to God's voice that transforms both the mind and the heart.

The movement provides a pathway to deeper spiritual renewal through silent retreats, days of recollection, prayer, the Rosary, Eucharistic Adoration, and First Friday and First Saturday devotions. These sacred moments invite members to encounter Christ in the Eucharist and the Word of God, be transformed by His grace, and grow in holiness under the gentle guidance of the Blessed Virgin Mary, the first and perfect disciple of Christ.

The Marian Apostolic Movement warmly welcomes anyone seeking to deepen their faith, discover the beauty of Sacred Scripture, and experience the richness of authentic Christian spirituality and fellowship within the wellspring of the Syriac Antiochian Maronite tradition. Whether beginning your spiritual journey or seeking a renewed encounter with Christ, MAM offers a welcoming community where lives are transformed through prayer, the Word of God and the loving guidance of Our Blessed Mother.

LOLO YOUTH

The Youth of Our Lady of Lebanon Co-Cathedral have kept up a cracking pace over the past year, playing a vibrant and valued role right across the life of our parish. A massive highlight was the unforgettable pilgrimage to Lebanon, led by Fr Danny, where our young people reconnected with their roots, deepened their faith, and stood shoulder-to-shoulder with local communities. To top it all off, the group experienced the historic apostolic visit of His Holiness Pope Leo XIV to Lebanon, leaving everyone with memories and inspiration that will last a lifetime.

Back home in Harris Park, the energy hasn't slowed down one bit. Our monthly Social Sundays at Home has continued to pack out the parish grounds after the 7pm Youth Mass, bringing everyone together over great food truck bites, while our Marian Youth Retreat offered a much-needed space for prayer, reflection, and good mates. Alongside our regular MYO gatherings, the crew added some serious silverware to the cabinet this year by claiming a historic first-ever victory for our parish at the long-running annual Eparchy Sports day - showing just how strong our team spirit is both inside and outside the church walls.

Whether it's hitting the sports field or growing closer in faith, none of this happens without the passion of our youth, the dedication of our leaders and volunteers, and the ongoing support of our clergy. We are so proud of everything achieved this year and can't wait to see what's next as we keep growing together.

MARONITE FLAME TEENS

This past year has been incredible for the Maronite Flame Teens, filled with growth, faith, and fellowship. We were blessed to welcome over 450 teens, a true testament to the hunger our young people have for faith, friendship, and growing in their spiritual journeys.

Throughout the year, we hosted several successful events, including our Mid-Year Party and Christmas Party, both of which brought our teens together for joyful moments of connection and celebration.

One of the highlights of the year was our Teens Camp, which was a truly fruitful and transformative experience for the teens. Through prayer, talks, activities, and spiritual bonding, our teens strengthened their faith, formed friendships, and deepened their relationship with God. A particularly powerful aspect of camp was the time set aside for silence, personal reflection, and Eucharistic Adoration. In a world filled with noise and distractions, the teens encountered Our Lord in a powerful way, experiencing His presence, peace, and love in a deeply personal manner.

Behind every lesson, event, and camp is a dedicated team of leaders who generously give their time, energy, and talents in service of our teens. Their love and commitment to accompanying young people in their faith journey, being role models of Catholic discipleship, and creating a welcoming and supportive environment has been instrumental to the success of the ministry. We are deeply grateful for their sacrifices, passion, and unwavering dedication throughout the year.

A huge thank you to all our parents, clergy, and the Maronite community for your constant support and prayers. Your love and dedication have made a lasting impact on our teens and helped foster their spiritual journey. We thank God for the blessings of this year and look forward to continuing this mission of faith and love.

FERSEN AL ADRA

Fersen Al Adra is the youngest branch of the Marian Family Sodality, and we are all about helping children from Kindergarten to Year 6 discover, live, and love their Maronite Catholic faith. Following the wonderful example of Mary, Mother of God, we create a fun and welcoming space where young hearts can grow closer to God.

What a huge year we've had! From July 2025 to June 2026, our Fersen family has gotten bigger and busier than ever, with over 220 children enrolled in our programs. Supported by 30 amazing leaders who stepped up to guide, mentor, and care for our children every step of the way, we rolled out fresh new activities and improved our favourite programs to make sure the children grow both spiritually and socially.

Our calendar was packed with a brilliant mix of faith, community, and excitement. We brought the children together for monthly Fersen Masses, May Rosary visits, and proudly walked together in the Palm Sunday procession. Who doesn't love a Fersen Fun Day, Fersen Diocesan Day, and our high-energy Disco Party? We also got creative with hands-on workshops for Mother's Day, Father's Day, and St Barbara's Feast Day.

Our children went above and beyond this year by spreading Christmas joy and collecting toys for the Children's Hospital at Westmead. Even better, every single toy came with a sweet, handwritten card straight from our students' hearts. We also loved teaming up with other communities, hosting a special leadership night for fellow Fersen leaders from St Joseph's in Croydon. Plus, we threw an epic Sports Day over at the MCHF School Grounds complete with a very special guest visit from Wests Tigers player Adam Doueihi!

We are so proud of everything we've achieved together this year, and we are only just getting started. A massive thank you to everyone, our parents, our supporters, and our wonderful parish community, for backing us and helping us thrive. We can't wait for another amazing year ahead!

FAMILY COMMITTEE

Inspired by the Holy Family of Nazareth and grounded in the Maronite Catholic faith, the Family Committee is dedicated to strengthening and supporting the spiritual, social and community life of families within our parish. Its mission is to support couples and families in deepening their faith together, recognising that the family is the foundation of both society and the Church, particularly in today's world.

A new Family Committee initiative in late 2025 celebrated each baby's first Christmas Mass, followed by a festive brunch at the Youth Centre. Babies and toddlers, dressed in their finest, were presented by their families in thanksgiving to God during the Divine Liturgy. Families then enjoyed a joyful celebration with Santa and his elves, who welcomed the children with a small gift, candy cane, and keepsake photo. It was a beautiful celebration of faith, family, and the joy of welcoming children into the parish community from an early age.

A highlight event in 2026 was the Mother's Day Celebration in May, following the 9:30 am Mass. Near the grotto, the ladies of the Family Committee prepared a beautifully decorated table featuring cupcakes and elegant floral arrangements. It was a great honour to welcome His Excellency Bishop Antoine-Charbel, who celebrated the Divine Liturgy before joining the mothers, grandmothers, and their families in singing and praying together. Each family also received a beautiful prayer card depicting Our Blessed Mother Mary holding the Child Jesus in her arms as a lasting reminder of the occasion.

Other initiatives continue to support family life throughout the year. The Renewal of Marriage Vows in July brings together couples married anywhere from five to sixty years as they joyfully renew their sacred promises before God and the parish community. Events such as the Mother-Daughter Brunch, Father's Day Bacon and Egg Breakfast, monthly Men's and Women's Faith Formation gatherings, and Family Fun Day provide opportunities for fellowship, laughter, encouragement, and shared faith experiences.

Through these initiatives, the Family Committee strengthens family life and fosters a vibrant, loving, and Christ-centred parish community where families can grow together in faith.

ARABIC SCHOOL

Our Lady of Lebanon Arabic School plays an important role in preserving and promoting the Arabic language, culture, and heritage within our parish community. The school is a proud member of the NSW Federation of Community Language Schools Inc and is recognised for delivering quality Arabic education in collaboration with the NSW Education Standards Authority (NESA).

Teaching focuses on the core language skills of listening, speaking, reading, and writing. Learning combines structured, traditional methods with interactive programs designed to support student engagement and progress.

The school is staffed by twelve qualified teachers and caters for students from Kindergarten to Year 12. Nine classes are offered from beginner to advanced levels, allowing students to learn according to their ability. Classes run during school terms on Saturday mornings, and additional adult Arabic classes are held on Tuesday nights.

Students are encouraged to apply their language skills beyond the classroom. Participation in parish and multicultural events, including singing, dancing, and drama, provides meaningful opportunities to build confidence and express cultural identity.

The parish actively supports students in developing pride in their Lebanese heritage. Families are encouraged to foster the use of Arabic at home and within the wider parish and community, both in Australia and abroad. Through this work, the Arabic School continues to strengthen cultural connection, faith, and community life.

MEN'S MINISTRY

“Iron sharpens iron, and one man sharpens another”

The Men's Ministry entrusted to Our Lady and Saint Joseph was established at Our Lady of Lebanon Co-Cathedral in 2024. It was formed to inspire and empower men to live out their Catholic faith with integrity, courage, and a spirit of service, especially in a world that often lacks authentic Catholic masculinity.

Over the past year, our activities have included the Maronite Eparchy's Men's Conference, BBQs, guest talks, outreach initiatives such as feeding the poor, serving the homeless and visiting those in need. The ministry has been growing and adapting to the needs of men in the modern age while holding onto the beautiful traditions of our faith.

Open to all men, regardless of age or where they are on their spiritual journey, the Men's Ministry offers a welcoming space to build genuine friendships rooted in shared faith, values, and morals. It's a safe and supportive environment where you can be yourself, ask questions, and grow in your relationship with Christ. The main aim is to form men to grow in communion with Our Lord through the sacraments and participation of the overall community.

Together, we seek to become strong, faithful leaders in our families, communities, and beyond. Through monthly gatherings focused on faith, formation, and fraternity, we grow through prayer, fellowship, and service.

Our biblical motto, “Iron sharpens iron, and one man sharpens another” (Proverbs 27:17), reflects our mission to build each other up in faith and brotherhood.

MEDIA COMMITTEE

The Media Committee brings together members from across all parish groups, all dedicated to evangelising and connecting with our community through traditional and social media platforms. Our mission is to share the richness of the Maronite Catholic faith, nurture spiritual growth, and foster a vibrant, Christ-centred community right here at Our Lady of Lebanon, Harris Park.

Behind the scenes, the committee looks after everything from live streaming our Masses and producing videos to photography, flyer design, website content, and weekly announcements. Whether we are capturing major liturgical milestones - such as Feast of the Assumption Celebrations or our bustling annual processions - or documenting day-to-day parish life, we work hard to keep our branding consistent. We maintain an active presence on social media and our parish WhatsApp group, making sure every single parishioner stays informed and engaged, even if they aren't online themselves.

Our digital outreach continues to go from strength to strength, connecting with more than 40,000 followers on Facebook, over 10,000 followers on Instagram and YouTube, and welcoming an average of 9,600 unique visitors to our website each month. Through all of this, the Media Committee helps parishioners stay connected, participate fully in parish life, and experience our Maronite Catholic faith in ways that are accessible, inspiring, and meaningful.

If you have a knack for photography, videography, graphic design, writing, or any other media-related skills, we would love for you to share your talents by joining the team. To express your interest, please get in touch with us via our parish email.

ROAD TO EMMAUS

Established in 2023, The Road to Emmaus (RTE) is the Maronite Eparchy's ministry for single Catholics aged 30–50, providing opportunities to encounter Christ through friendship, community, prayer, and faith. Inspired by the disciples' journey in Luke 24, RTE seeks to build a welcoming community where members can grow in faith and participate more fully in the life of the Church.

In 2026, RTE continued to grow reaching 170 members. Monthly gatherings, including walks, shared meals, trivia, golf, cultural outings, and faith-centred events, provided opportunities for fellowship, spiritual formation, and meaningful connections among single Catholics across the Eparchy. A highlight of the year was the RTE Spiritual Retreat at Our Lady of Mercy Maronite Catholic Monastery and Parish in Goulburn, hosted by Fr John Paul Bassil. The retreat included the Divine Liturgy, prayer, reflection, fellowship, and small-group activities, offering members an opportunity to deepen their relationship with Christ and one another.

In response to the growing need for the ministry, the membership age range was expanded to include adults aged 30–35. RTE also launched its social media presence, increasing awareness, engagement, and opportunities to welcome new members.

We are grateful to Fr John Paul Bassil for his dedicated service as Chaplain and for his pastoral care and support. We also welcomed back Fr Danny as Chaplain and Sr Margaret as Assistant Chaplain, and look forward to their continued spiritual guidance. RTE gives thanks to God for the growth and blessings of the past year and remains committed to creating opportunities for single Catholics to encounter Christ, form lasting friendships, and grow in faith and participation in the life of the Church.

“Were not our hearts burning within us while He talked with us on the road?” Luke 24:32

FAITH AND LIGHT

It has been a fruitful year for OLOL Faith & Light.

Since its relaunch in June 2025, we have grown into a beautiful community of more than 30 participants with special needs or a disability, together with their families. We are committed to creating a safe and inclusive space where every person is loved, welcomed, and embraced.

Each week, Faith & Light celebrates an accessible Mass, providing a welcoming environment where our participants can express themselves freely, while their families remain fully engaged in the celebration of the Mass. We also host monthly social events that bring our community together, fostering meaningful friendships, joy, and a true sense of belonging.

One of the highlights of the year was our Inclusive Exercise Day with Andrew from Advanced Exercise Physiology and Paul Chidiac from Maronite Down Under. Andrew shared his knowledge and expertise by leading engaging exercises that promoted movement, coordination, and confidence for participants of all abilities. Paul brought incredible joy and energy through his warm, bubbly personality and genuine enthusiasm for connecting with our community. Together, they created an uplifting and memorable experience that was enjoyed by everyone who attended.

CHOIR

The Our Lady of Lebanon Co-Cathedral Choir plays an integral role in the spiritual life of our parish, enriching the Divine Liturgy and other celebrations through the sacred ministry of music. More than simply providing music, our choirs lead the faithful in prayer and create an atmosphere of reverence that draws the congregation into a deeper encounter with God.

Rooted in the rich traditions of the Syriac Maronite Church, our musical heritage has been lovingly preserved for centuries through ancient chants, psalms, and hymns which date back to the earliest Christian communities, the Maronite Rite is one of the oldest continuously celebrated liturgical traditions in the world. Alongside these timeless melodies, our choir also performs carefully selected contemporary liturgical compositions that remain faithful to the beauty and theology of the Maronite tradition. Together, these sacred hymns serve not only to glorify God but also to preserve and pass on the spiritual and cultural heritage of our Church to future generations.

Our parish is blessed with five choirs serving different congregations:

- 8:00am: Arabic Choir
- 9:30am: Family Choir
- 11:00am: Arabic & English Choir
- 5:00pm: Choir
- 7:00pm: Youth Choir

Our choirs are made up of dedicated volunteers of all ages who generously share their time, talents and love for the Church. United by a shared desire to serve, our singers and musicians strive to lead the faithful in worship with humility, excellence, and devotion. Beyond Sunday Divine Liturgies, they serve at major feast days, Holy Week, Christmas, Easter, parish celebrations, prayer evenings, devotional services, and spiritual concerts, offering hymns in Syriac, Arabic, and English.

Choir ministry is an opportunity to grow in faith, deepen one's understanding of the Maronite liturgy, develop musical gifts and build community through service. As our parish family continues to grow, we warmly welcome singers and musicians of all ages and experience levels to join this beautiful ministry and help lead our community in prayer.

LADIES OF OUR LADY

The Ladies of Our Lady is a devoted ministry of women united by faith and a shared commitment to serving the Maronite community. Guided by the values of charity, compassion, and fellowship, our group seeks to enrich parish life by creating opportunities that celebrate and support women while fostering a deeper sense of connection within our community.

Through a variety of spiritual, social, and charitable initiatives, the Ladies of Our Lady endeavours to serve with generosity and purpose. Our most notable event this year was held on 10 March to coincide with International Women's Day and in support of the Australian Gynaecological Cancer Foundation. The evening was a remarkable expression of faith in action, and through the extraordinary generosity of Maronite women, we were privileged to donate \$18,881 to the Foundation.

Another notable event that the Ladies organised was our annual Mother's Day Luncheon. This year we were delighted to celebrate Mother's at Sahra by the River in Parramatta. The day was filled with great food, music and much joy as we celebrated the beautiful gift of motherhood.

We give thanks to God for the generosity of our community and the dedication of all who support the Ladies of Our Lady. We remain committed to serving the Maronite Church with faith, humility, and love, and we look forward to continuing this mission for many years to come.

INTERNATIONAL WOMEN'S DAY

In celebration of International Women's Day 2026, the Ladies of Our Lady hosted a fundraising dinner on March 10th at Oliveto Ristorante and Bar, in support of the Australian Gynaecological Cancer Foundation (AGCF). The evening brought together 140 community members in a spirit of fellowship, unity and purpose, honouring the strength and inspiration of women in our parish and beyond.

Guests heard from two AGCF speakers Dr Rosie McDonald and CEO Georgina Lavery-Bill, who provided an overview of AGCF's mission and the critical need for increased awareness of the signs and symptoms of the eight gynaecological cancers, including cervical and ovarian cancers. Their message emphasised the importance of women advocating for their own health; that is seeking medical advice if they experience concerning symptoms or if something feels "off" about their health, to support prevention, early detection and timely treatment.

AGCF is a national not-for-profit organisation that focuses on funding laboratory research into all eight gynaecological cancers. With 31% of women diagnosed with a gynaecological cancer not surviving beyond five years, AGCF's work remains vital. AGCF also collaborates closely with other organisations such as Rare Cancers Australia, Ovarian Cancer Australia and Cancer Australia, to ensure women have access to reliable information and support.

Our community's generosity shone brightly, raising \$18,881 in donations. We extend our heartfelt thanks to all who contributed, and a special acknowledgement to the two AGCF guest speakers as well as Father Danny, Dean of Our Lady of Lebanon Co-Cathedral and his Excellency Bishop Antoine-Charbel Tarabay, for their attendance and ongoing support.

To learn more about AGCF's work or how to support, please visit the AGCF website. Together, we continue to give women hope.

HOLY COMMUNION

The First Holy Communion Committee supports children and their families as they journey towards the Sacraments of Reconciliation, First Holy Communion, and Confirmation, where appropriate. Inspired by the words, *“For we walk by faith, not by sight”* (2 Corinthians 5:7), our mission is to nurture each child’s faith, deepen their love for Jesus Christ, and foster a lifelong relationship with Him through the Holy Eucharist.

Each year, the committee runs a comprehensive sacramental preparation program, featuring weekly lessons for over 100 children and faith formation sessions for parents led by our clergy. We love bringing together children from more than 18 schools, representing the Maronite Catholic, Roman Catholic, and Orthodox traditions. A massive highlight for us this year was that First Holy Communion was celebrated by His Excellency Bishop Antoine-Charbel Tarabay, which was accommodated by a change in date to May. Following this, the children receiving First Holy Communion also took part in the annual Corpus Christi celebrations, joining in Eucharistic Adoration and the parish procession.

As we look ahead to 2027, we are excited to implement a new, dedicated program for children with minor special needs, using simplified teaching, visual resources, and tailored learning methods to help them better understand and prepare to receive the Holy Eucharist with confidence and reverence.

We pray that every child continues to grow in faith, receive the Holy Eucharist regularly, and remain an active member of the Church. For further information, please email the First Holy Communion Committee at holycommunion@olol.org.au.

EVENTS COMMITTEE

The Events Committee is committed to enriching the spiritual and community life of our parish through thoughtful planning, collaboration, and service. Throughout the year, we help coordinate key liturgical celebrations and community gatherings that bring parishioners together in faith, fellowship, and shared purpose. Some of our key events include:

- Hosanna Sunday processions and Passion Week services
- Feast of Our Lady of Lebanon celebrations
- Processions for the Feasts of Corpus Christi and the Sacred Heart of Jesus
- Feast of the Assumption celebrations
- Christmas Carols

Each of these occasions invites parishioners to participate more fully in the liturgical life of our Maronite Church and to grow together as one community in Christ. In addition to coordinating parish-wide events, the Events Committee supports other ministries with planning and coordination, helping ensure that initiatives throughout the Church calendar run smoothly and successfully.

A significant highlight of the past year was the Feast of the Assumption, when unexpected poor weather conditions required rapid, last-minute changes. What could have been a huge setback became a powerful witness to the unity and dedication of our parish community. All committees came together with teamwork, and generosity. Plans were reworked and countless parishioners contributed to ensuring each celebration remained reverent, joyful, and welcoming.

Through the resilience and cooperation of our community, the Feast of the Assumption was not only successful but deeply moving. It stood as a testament to the work of our Lord through His people, reminding us that even in challenging circumstances, grace leads the way and our community responds with faith. The Events Committee remains committed to serving our parish with humility, creativity, and a spirit of collaboration. We welcome new ideas and invite parishioners to share their gifts, time, and resources. To get involved, please contact us at events@olol.org.au.

STEWARDSHIP COMMITTEE

The past year has been one of significant progress for the Stewardship Committee, with a continued focus on strengthening the financial sustainability of the parish, enhancing our facilities, growing our businesses and investing in the long-term future of Our Lady of Lebanon.

One of the year's standout achievements was the 2026 Grand Ball, which raised approximately \$470,000 through the extraordinary generosity of our parish community, sponsors and supporters. This outstanding result, together with expanded sponsorships, auctions and raffles, has strengthened the parish's capacity to invest in future ministry and capital projects. We also introduced EFTPOS-enabled collection plates, providing parishioners with greater choice and convenience in how they contribute to the parish.

Our parish businesses continued to perform strongly throughout the year. Five Loaves Café achieved significant growth in sales while carefully managing the cost of goods and operating expenses, enabling it to maintain strong profitability without compromising affordable pricing for parishioners. The Gift Shop also expanded its range of religious gifts and devotional items, improving both the parish experience and its contribution to parish revenue.

The Committee also delivered several important infrastructure improvements. The Youth Centre recladding project was successfully completed, alongside repairs to the church roof and rooftop access surrounding the statue precinct, upgrades to the recreation room, and ongoing maintenance works to ensure our parish facilities remain safe, functional and well maintained. Significant progress was also made on the parish's long-term vision. The Master Plan reached a major milestone with approval of the Development Application (DA) for the three level underground carpark and piazza, while planning continued for the Heritage Centre, Chapel, ANZAC Memorial, Bell Tower and Gift Shop. At St Rita Mass Centre, Guildford, renovation advanced, bringing a new place of worship closer to completion.

These achievements reflect the dedication, generosity and faith of our clergy, staff, volunteers, donors and parishioners. We look forward to what will be a defining year in the evolution of our Cathedral as we commence the implementation of our Master Plan. Together, we continue to build a financially sustainable parish, enhance our facilities and create a lasting legacy for future generations.

PARISH MAINTENANCE

The care, maintenance, and ongoing preservation of our church facilities remain a top priority. Throughout the past year, our dedicated efforts have focused on ensuring that our spiritual home remains safe, functional, and well-protected for generations to come, through a combination of major structural upgrades, asset preservation interventions, and strict regulatory compliance.

We are pleased to report a new safe access to the church roof has been successfully completed. A permanent, secure pathway and structural access point have been installed, allowing maintenance teams and contractors to navigate the area safely. This upgrade ensures full compliance with modern workplace health and safety standards and lays the groundwork for all future high-level maintenance projects. With safe access now fully established, our maintenance team is moving directly into the next vital stage of the project: resolving existing roof leaks to stop water ingress and prevent further damage to our church interior.

To better protect and preserve our beautiful stained glass windows, new commercial-grade door closers have recently been installed throughout the church. These heavy-duty closers prevent doors from slamming due to wind or heavy use. By eliminating sudden structural vibrations, we are actively protecting the delicate, historic leadlight and glass from long-term degradation and micro-fractures, ensuring their beauty is preserved for future generations.

Great progress is also being made on enhancing our Youth Centre facilities, with a strong focus on energy efficiency. The space has been outfitted with smart motion sensors for after-hours use, ensuring lighting only operates when the area is actively occupied. This automation upgrade will significantly cut down on electricity waste, lowering our ongoing utility costs. General upkeep remains a continuous priority to ensure all parish spaces stay fresh and welcoming. As part of these ongoing maintenance efforts, the main hall has recently been completely repainted as well as the ground floor, level 1, and level 2 of the Youth Centre.

Looking ahead, we are planning a comprehensive upgrade of our audio-visual infrastructure. The current sound systems in both the church hall and the Youth Centre are outdated, and updating these setups in the near future will greatly enhance our services, youth group activities, and community events.

In alignment with our commitment to community safety, we have also successfully met all Annual Fire Safety Statement (AFSS) statutory requirements. Thorough testing and certification were completed across all critical site infrastructure, including the Fire Indicator Board (FIB) panel, emergency and exit lighting, fire doors, and fire extinguishers. Keeping these essential systems fully compliant guarantees a safe, welcoming, and secure environment for everyone in our community.

PARISH PROJECTS

PARISH MASTERPLAN

Community Notification – OLOL Masterplan Update

The 40 Alice Street project represents a significant redevelopment initiative incorporating a new multi-level car park and Piazza, together with improvements to the existing church precinct, including the Heritage Centre, Chapel extension and Bell Tower works. The project has progressed substantially through the design and approvals phase, with a strong focus on resolving technical, servicing and construction requirements prior to commencement of major works.

During the reporting period, the project team has advanced the detailed design and Construction Certificate documentation across architectural, structural, civil, hydraulic, fire, mechanical and electrical disciplines. Preliminary consultant coordination has been substantially completed, with consultant spatial requirements and design mark-ups incorporated into the architectural documentation. Builder procurement has also commenced, with a number of shortlisted builders reviewing the project and undertaking preliminary cost assessments covering excavation, shoring, structural works, services and associated construction packages.

A key milestone during the period was the approval of the Development Application for the Heritage Centre extension, Chapel works and Bell Tower. This approval enables these components to progress into the Construction Certificate and procurement phases and provides an opportunity to coordinate their delivery with the broader redevelopment works.

The project is currently addressing two significant technical matters prior to finalisation of the Construction Certificate: the location of an existing sewer adjacent to the basement and Council's requirements regarding basement tanking and groundwater management. Specialist investigations and discussions with the relevant authorities are underway to establish the preferred solutions while minimising impacts on the design, cost and programme.

Subject to resolution of these matters and final consultant coordination, the project team is nearing Construction Certificate approval. Builder procurement is progressing in parallel, with the objective of having a builder engaged during this period and construction commencing shortly thereafter.

The Stewardship extends its sincere appreciation to all stakeholders who have supported the Parish throughout the project. We particularly acknowledge the generous contribution of our consultants who have donated their professional services, together with parishioners who have contributed their time, expertise and services to this important project.

Your continued support and commitment to the Masterplan is sincerely appreciated.

SAINT RITA MASS CENTRE

THE ROSES OF SAINT RITA

Throughout the past year, significant progress has continued on the development of the Mass Centre at 306 Woodville Road, Guildford, with completion anticipated in early 2027. The committee has actively supported the establishment and growth of the Mass Centre through a range of spiritual, community, and fundraising initiatives.

Highlights of the year included the successful celebration of Saint Rita's Feast Day, the Day with the Roses community event, and the ongoing sale of Saint Rita merchandise, all of which contributed valuable funds towards the development of our future spiritual home. The generosity of parishioners, supporters, and volunteers has been instrumental in the success of these initiatives.

The committee also expanded the Mass Centre's communication and community engagement through the establishment and continued growth of its Facebook and Instagram pages, together with a dedicated WhatsApp community that keeps parishioners connected and informed of Masses, events, and parish activities.

Looking ahead, preparations are well underway for the inaugural Saint Rita Maronite Catholic Church Gala Dinner on 2 October 2026, which will serve as another important milestone in supporting the continued development of the Mass Centre.

Together, we continue to build a vibrant faith community dedicated to Saint Rita and the future of our parish.

SAINT RITA CHURCH

The renovation and refurbishment works at the Saint Rita Mass Centre, Guildford, are progressing well, with several significant milestones now successfully completed. This important project represents a major investment in the future of the Parish and in providing a renewed and welcoming place of worship for the faithful of the local community.

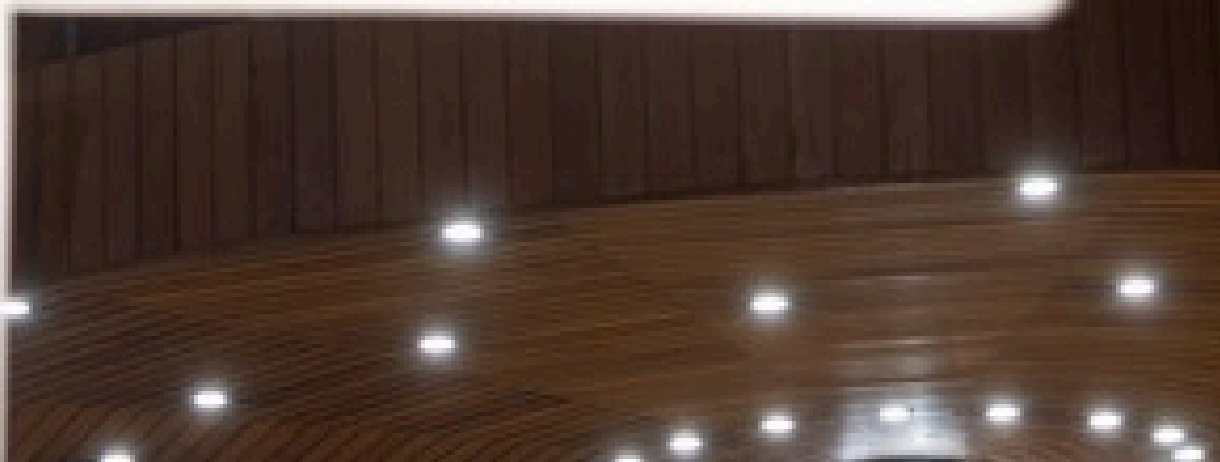

The works have involved the careful coordination of multiple trades, consultants and disciplines, with particular attention given to the functionality, quality and sacred character of the space. The project team has worked diligently to ensure that the renovated centre will provide a prayerful and dignified environment that reflects the spiritual needs of the community while also supporting the pastoral life and activities of the Parish.

Substantial progress has been achieved to date, with key elements of the renovation and refurbishment now completed. The continued commitment of the project team, contractors, consultants, volunteers and parishioners has been instrumental in maintaining momentum and ensuring that the project continues to advance towards completion.

The renovation of Saint Rita Mass Centre is anticipated to be completed during the first quarter of 2027. Once completed, the renewed facility will provide the Parish with an enhanced setting for the celebration of the Divine Liturgy, prayer, pastoral activities and community gatherings, strengthening the presence and mission of the Church in Guildford for many years to come.

The clergy and Stewardship Committee extend their sincere appreciation to all stakeholders who have supported the Parish throughout this significant undertaking. In particular, we gratefully acknowledge the generous contribution of our consultants who have donated their professional services to the project. We also extend our heartfelt thanks to the contractors, tradespeople, volunteers and parishioners who have generously contributed their time, expertise, resources and services. This project has demonstrated once again the strength of our Parish community and what can be achieved when people generously offer their gifts and talents for the service of the Church. The support received has been invaluable in helping to bring the vision for the renewed Saint Rita Church closer to reality.

FINANCIAL REPORTS

FINANCIAL OVERVIEW FOR THE 2026 FINANCIAL YEAR

The Parish delivered a record financial performance in FY2026, resulting in a net income surplus of \$1,312,456. This was a significant turnaround from a deficit of \$91,825 in FY2025. Revenue increased 22% to \$8,344,928 and expenses totalled \$7,032,472.

A significant portion of this income surplus was driven by St Rita's Church pledges and donations of \$607,000 and the Annual Grand Ball which raised \$470,000 for the Our Lady of Lebanon Harris Park Master Plan. Whilst these are amazing contributions; we must maintain the momentum in raising funds for these two vital projects which require substantial capital spend.

Plate collections are up 24% to a record \$1,320,969 with EFTPOS donations being a growing contributor. We also had our first joint pilgrimage for St Rita's, Guildford and Our Lady of Mercy, Goulburn this year. Unfortunately, bad weather impacted Feast Week this year which resulted in limited events.

Expenses have remained relatively stable year-on-year, with salaries marginally increasing by 3.5%. We have also continued expenditure this year on church and liturgical supplies, including items such as altar dressings, vestments, and other essential church items.

Five Loaves Café and the Giftshop performed strongly with sales increasing year-on-year, maintaining their significant contributions towards the Parish.

As a conclusion, during FY2026:

- Cash balances increased by \$579,925 to \$2,178,582.
- Capital expenditure of \$77,615 for an additional Parish car and Van, \$26,016 on café upgrades and \$37,180 for improvements to the units at 58 Alice St, Harris Park.
- Capital works in progress for St Rita's Church of \$152,649. There have been numerous materials donated or discounted and pro-bono services contributed to date.
- Loans decreased by \$516,190 to \$6,439,957 and monthly loan repayments currently are \$83,238.

PARISH BUSINESSES

LOL GIFT SHOP

The Gift Shop experienced strong sales growth throughout FY26. Despite increasing operating costs, particularly in wages and goods, the business achieved higher overall revenue and sustained strong community engagement by expanding its product variety and event offerings.

Gift Shop Performance

- Sales Revenue: FY26 total sales revenue reached \$974,533, representing a 17.0% increase versus \$831,485 in FY25.
- Net Profit: FY26 net profit remained solid with a slight decrease from last year. This was anticipated due to a significant rise in COGS and wages. Nonetheless, a solid result allowing us to reinvest back into our Parish activities.

Key growth drivers included:

- Christmas Market: Successfully introduced to attract increased customer traffic and generate additional seasonal revenue.
- Expanded Product Range: Contributed positively to sales by offering greater variety and enhancing the overall shopping experience.
- Online Sales & Social Media: Online orders increased significantly through prioritised fulfillment, timely delivery, and promotional discounts. This was supported by regular Facebook and Instagram updates that boosted community awareness and parishioner engagement.

Operating Costs

Profit margins were heavily impacted by rising costs across several key areas. Inflationary pressures and supplier costs drove up COGS.

Furthermore, following a completed staff wage review and the recent absence of volunteers who had previously assisted with operations, total wage costs surged. Interestingly, general operating expenses saw a reduction, though this was not enough to offset the increases in COGS and wages.

Despite these higher costs and increased customer discounts, the overall performance of the Gift Shop remained profitable, with total sales volume confidently exceeding the previous year's results.

Looking Ahead

The coming year will focus on strengthening parishioner loyalty and sustaining the momentum of our digital and physical sales channels. Planned initiatives include:

- Continuing to expand and optimise online orders and delivery times.
- Maintaining and growing our social media presence to highlight new products.
- Leveraging targeted discounts to reward loyal parishioners and encourage repeat business
- Evaluating future community events to replicate the success of the Christmas Market and innovating with new offerings

FIVE LOAVES CAFÉ

Five Loaves Café continued to demonstrate strong growth throughout the 2025/2026 financial year. Despite increasing operating costs, particularly in wages and goods, the business achieved higher revenue and sustained strong profitability while maintaining competitive pricing for our parishioners and local community.

- Sales Revenue: FY26 sales revenue reached \$2,215,090 (exc. GST), representing a 4 % increase versus \$2,126,722 in FY25.
- Net Profit: FY26 net profit remained solid, with a slight decrease from last year. This marginal tightening was anticipated due to the rise in COGS, wages, and general operating costs.
- Catering: Remained our strongest growth area, driven by customer referrals and word-of-mouth.
- À La Carte & Uber Eats: Both channels saw steady sales increases, contributing heavily to overall revenue.
- Consistent Pricing: Menu prices remained largely unchanged. Building Parishioner trust on pricing has driven greater amount of transactions through the café.

Inflationary pressures drove an increase to total COGS and general operating expenses. Furthermore, a staff salary restructure increased total wage costs with some specific months experiencing wage surges of up to 20%. Despite these higher costs, strong sales volume ensured healthy profitability. Crucially, profits continue to be reinvested to support ongoing café improvements and parish upkeep.

The coming year will focus on strengthening the customer experience and long-term sustainability. Planned initiatives include:

- Refreshing café furniture and furnishings.
- Introducing new seasonal menu items.
- Enhancing service through peak traffic periods
- Continuing to grow our catering operations.
- Maintaining a strong focus on customer experience

Funded through reinvested profits, these initiatives ensure the café remains vibrant while actively supporting the wider mission of the parish.

PARISH PARTNERS

MARONITE COLLEGE OF THE HOLY FAMILY (MCHF)

Dear Parishoners,

Throughout 2025 and 2026 Maronite College of the Holy Family and Our Lady of Leabon Parish were anticipating the news that the Founder of the Congregation of the Maronite Sisters of the Holy Family, Patriarch Elias Howayek, would be declared 'Blessed' by the Pope. We celebrated on 22 May 2026 the great announcement which acknowledges the holy work of the Patriarch, who is now one step away from Sainthood. He is remembered as a man of dialogue, pastoral charity and evangelical poverty, widely revered as a Lebanese 'founding father'. One of his many profound quotes shows the humility of Blessed Patriarch Elias Howayek:

For if I say, 'I am a saint' through my great efforts, it is the language of arrogance and pride. If I say, 'I am not a saint', then I am denying the grace and am not grateful. Therefore, you must declare and say that you have obtained talents from God. These talents are not from you, but are given to you through God's generosity, so it follows you must neither be proud, nor unappreciative. - Letter of Patriarch Elias Howayek

Continuing his Spirit, the Sisters and MCHF, have worked collaboratively with the Parish, at the spiritual and pastoral level.

Over the 2025-2026 year, opportunities for partnerships included:

- Regular Masses including daily Mass at MCHF Chapel and College Masses in the Co-Cathedral
- Reconciliation for year cohorts
- Reflection days with our College Chaplain and Parish Priests providing sessions to guide our students
- Mother's day, Father's Day and Grandparents Day Mass and morning tea celebrations
- Year 4 Holy Communion took place on 16 May 2026 with Bishop Antoine-Charbel Tarabay presiding. It was a beautiful participation in the Eucharistic Sacrament.
- Collaboration with the annual ANZAC Mass and morning tea event
- Regular visits by our students to the Aged Care facility, where they thoroughly enjoy engaging with the elderly
- Assisting with parish events including feast week
- Teachers of MCHF who volunteer their time to be part of the parish committees including Fersen, Teens etc.
- Sisters assisting with Mass and the many groups and events at the Parish
- Together, lobbying the Government regarding decisions that impact on our spiritual and cultural growth of our Maronite community

It is wonderful to see many of our former students continue to engage in the Parish as volunteers or as parents.

I take this opportunity to thank the Dean of the Co-Cathedral, Fr Danny Nuh, our College Chaplain Fr Charbel Dib, and all the clergy who have worked closely with the Sisters, Board Directors, staff, students and parents of Maronite College of the Holy Family. We look forward to a continued nurturing of our community through ongoing spiritual and pastoral activities.

Sr Margaret Ghosn
Principal

HEAVEN ON EARTH

Heaven on Earth Missions is a registered not-for-profit organisation committed to responding to the needs of people experiencing hardship, both locally and internationally. Guided by our faith, we work to bring practical relief, restore dignity, and share hope with individuals and families facing challenging circumstances.

Through our regular Homeless Feed Program, volunteers prepare and distribute freshly cooked meals and essential care packs to people experiencing homelessness and financial hardship every Monday evening in Liverpool, Friday evening, and Saturday morning in Parramatta. In addition, we assist families in crisis by providing furniture, household appliances, clothing, and other essential items that help create a safe and stable home environment.

Beyond Australia, our ministry continues through humanitarian missions in Lebanon and Fiji. These initiatives provide financial assistance, essential supplies, and direct support to families, educational institutions, and aged care facilities. During the past year, we were privileged to partner with the eparchy and Maronites on a Mission by sending shipping containers of humanitarian aid to South Lebanon, delivering much-needed assistance to communities affected by ongoing hardship.

Everything we do is driven by a desire to reflect Christ's love through compassionate action. By extending practical care and building meaningful relationships, Heaven on Earth Missions seeks to strengthen lives, restore hope, and ensure that those in need know they are not alone.

“Whoever is kind to the poor lends to the Lord, and He will reward them for what they have done.”
Proverbs 19:17

Who We Are

About Us

EMPOWERING COMMUNITIES TRANSFORMING LIVES

At MaroniteCare, our mission is to support, educate and empower individuals, couples and families to actively participate in and contribute to the wider community.

Our vision is a society founded on dignity, respect and responsibility, where every individual is empowered to thrive and contribute meaningfully. Established in 2004 as the welfare agency of the Maronite Eparchy of Australia, MaroniteCare delivers compassionate support grounded in our Catholic ethos, Maronite spirituality, charism and values. We remain committed to enhancing the wellbeing of individuals and families from all backgrounds.

OUR IMPACT

We are proud of the positive difference MaroniteCare continues to make across our community. Our services have earned the trust of Maronite parishes and the broader community through compassionate, professional and person-centred care. Despite ongoing financial challenges, we remain committed to ensuring our services are accessible to those who need them most.

GROWTH ACROSS THE 2025-2026 FINANCIAL YEAR

MaroniteCare has continued to strengthen its clinical services through strategic investment in both people and facilities.

Our team has welcomed:

- Psychologist
- Two Counsellors
- Volunteer Clinical Lead
- Trainee Administrator

We have also upgraded our counselling rooms with new furniture and decor, creating a warm, welcoming and professional environment where clients feel comfortable, respected and supported.

COUNSELLING SERVICE

Our counselling team provides confidential, evidence-based support across a broad range of areas, including:

- Marriage & Family Counselling
- Addiction Counselling
- Mental Health Counselling
- Domestic & Family Violence Counselling
- Trauma Counselling
- General Counselling

Eligible clients can access up to 10 complimentary counselling sessions each year.

REFERRALS AND COLLABORATIONS

We recognise that every individual's circumstances are unique.

2025-2026 has seen our continued collaboration with:

- **Montessori Care**, who have continued to provide Aged care, disability support and allied health for our elderly community.
- **The Transformation Centre**, a private residential rehabilitation centre offering a range of treatments and recovery programs for males affected by drug and alcohol dependency. For more information please visit: transformationcentre.com.au
- **Teresa's Centre**, a free, compassionate consultation and guidance to help you navigate your pregnancy choices and next steps.

To ensure comprehensive support, MaroniteCare works closely with a network of trusted organisations and professionals, including multiple mental health services, residential rehabilitation providers, psychologists and specialist counsellors.

Through coordinated referrals and collaborative case management, we help individuals access the right support at the right time.
